FOR IMMEDIATE RELEASE

A representative from OSHA has been in contact with us about a recent scam. Some members have been contacted by someone claiming to represent OSHA and is selling materials and important information. Please note that all information from OSHA is complimentary. OSHA is not selling anything for \$299.00. If you have been contacted by this person or if you are contacted, please get all pertinent information that you possibly can, so that we can put a stop to this scam.

Thanks for your assistance and continued support of the National Funeral Directors & Morticians Association, Inc.

In Continued Service,

Dr. Carol T. Williams, CFSP, CPC
